Spotted a Few Snags in Your New Home? What About the Ones You Haven't Noticed Yet?

Moving into a new home should feel exciting—not stressful. You've got a short window to report any snags or defects to the builder, but let's be honest—unless you're in the trade, it's easy to miss the small things that could turn into big problems later.

That's where Turnkey Aftercare comes in. We provide expert new home inspections to spot issues before your chance to report them runs out. From hidden leaks to poorly sealed windows, we know exactly what to look for—so you don't have to.

For a small fee, we'll check your home from top to bottom, ensuring nothing is overlooked, logging everything in a full report for you. A small investment now could save you costly repairs down the line.

Call Freephone 0800 10 77 205 and book your professional home inspection today—because peace of mind is priceless.
